Brightwater Robotics - Travel and Expenses Policy
Version 2.1, effective 1 March 2026

1. Who this policy covers
This policy applies to every Brightwater employee and contractor who travels for work. Travel must be approved in the Compass portal by your team lead at least 10 working days before departure.

2. Booking travel
Trains are the default for trips under 4 hours. Flights must be economy class, except for flights longer than 8 hours, which may be premium economy.

3. Hotels
The nightly hotel limit is 140 euros in most cities and 190 euros in London, Paris and Zurich.

4. Daily allowance and claims

The daily meal allowance is 45 euros. Alcohol is never reimbursed. Submit receipts in Compass within 30 days of returning; late claims are rejected automatically.
